

West Coast Steiner School is committed to being a Child Safe Organisation, taking a preventative and participatory stance on child protection issues and promoting a child safe environment.

“Live through deeds of love, and let others live with tolerance for their unique intentions.” Rudolf Steiner

Hi Everyone

Best wishes for the activities of the week ongoing. I hope you are able to find time each day to reflect gratefully on the unique life-giving presence of each person you encounter.

The joy and passion of the Class Three children for their garden work and new and budding life there-in is amazing.

The leadership of the Class Six children as they venture further into the final year of their journey here at WCSS is inspiring.

These are two highlights of so many we are experiencing each day.

The Bluearth Program has returned fortnightly on Wednesdays and Class 5 have begun woodwork this term.

Children from all classes are now utilising our school library to enrich and deepen their reading.

The enthusiasm with which they are perusing the shelves and selecting their books is heartening.

Term 3 presents many opportunities for growth with Dale Irving's Life-Mapping Course being presented at WCSS and the Anthroposophical Society in Australia's Annual Conference being held in Perth this year.

For further details on these exciting events see diary dates below.

Class One Teacher Gemma Jordan will be away on leave in the lead up to her wedding on August 18. We wish Gemma a joyous day and a future full of love and happiness.

Dates for the Diary

Week 3

Tuesday August 7: Parent Information Evening: Child Protection Curriculum 7pm Performance Room.

Wednesday August 8: Soup Day (Class 1).

Thursday August 9: Class 2 Play 1.30pm. K5/6 Parent Gathering 7pm Performance Room.
