West Coast Steiner School is committed to being a Child Safe Organisation, taking a preventative and participatory stance on child protection issues and promoting a child safe environment.

“Design is a funny word. Some people think design means how it looks. But of course, if you dig deeper, it's really how it works.” Steve Jobs

Hi Everyone 😊

I hope your week has been truly wonderful.

Our beautifully designed nature based playground proffers a renewing space, the activity and joy there-in also amazing. Next Saturday (August 18) from 8.00am to 12.00 noon we are holding a Busy Bee at the school. This will be dedicated to tidying and further beautifying the gardens and grounds whilst also attending to any necessary patching and painting. Please come by for even an hour or two as suits. FCH are claimable.

Wow! Yesterday's Assembly by Class 2 - so moving, meaningful, captivating – inspiring. Thank you to the children, their families, Class Teacher and Education Assistant. One feels so privileged to be here at West Coast Steiner School each day and when we have opportunity to come together to celebrate and highlight learning and growth as such, one is even more grateful and our journey together given further depth and enrichment.

A big thank you to Vanessa Beesley and Thomasina and all parents present at the Keeping Safe: Child Protection evening on Tuesday. The program is run across the school. Thank you to Liz and our library helpers. Our library is an excellent, warm, welcoming learning space. The love of reading is a valuable key to the unlocking of story and knowledge, a light into other worlds-adventures and when opportunity presents at home or school, can enable such a joyful and meaningful pursuit.

Class 1 Teacher, Gemma Jordan's wedding nears. We wish her a beautiful day and happy future full of love. Thank you to Adrienne who is teaching Class 1 whilst Gemma is away. Thank you also to Robyn for her wonderful work with the Class ongoing.

The WCSSCA Fathers Group is holding a sausage sizzle fundraiser on Saturday August 25th and welcomes all dads and father figures in our school community to participate. Hours spent can be claimed under the FCS. Please contact David Thomas to register: salsamad@iinet.net.au/ 0417 910 036.

"This is a shiny apple. I wish it was a gold apple."
A child is walking in the street and sees a big gold elephant. "I want to ride the
