

Raise your words, not your voice. It is rain that grows flowers, not thunder.
-Rumi

Dear Everyone

Our nature-based playgrounds are appreciated and providing visible learning experiences through the children's presence and usage.

Thank you to everyone who participated in the Busy Bee last Saturday. The grounds and buildings are looking good and providing an improved and welcoming place to learn, teach and just be. A special thank you also to the parents who met with the school review personnel on Tuesday. We are very grateful for your sharing, warm spirit and time.

The learning environment of our library provides a central reading place within our school. The joy of books - reading, related information and story is magical and fulfilling. Parents are now welcome to borrow from our parent library section after filling in a Parent Borrower Form available at the Library and Golden Threads.

We welcome Gemma back next week and wish Renee all the best for her recovery. She will be back with the children once better. I would like to thank the Teachers and Education Assistants who have worked with the children whilst Gemma and Renee have been away.

Thank you again to the many providers and servers of the beautiful soup we enjoyed. The Soup Days are now over for 2018.

Please contact Julia if you are interested in registering for the Circle of Security course or would like to know more about the program. T: 9440 1771 E: marketing@wcss.wa.edu.au. Please also feel very welcome to engage with our School Website. It contains policies related to school operations. It also captures and highlights activity across the community.

Reminder: It is not acceptable for the children to play and watch video games, movies and related television. It is also unfair for the children who are not exposed to such at home being impacted on in their growth by related talk and activity coming in from anyone else. If you require further clarification on this please refer to P16 of our Parent Handbook or speak with your child's teacher directly.

Dates and Events ahead this term:
