

Community Memo

23/11/18

Dear Everyone,

Thank you for the support across the school, for the well-being and growth of the children and all.

Our journey into the remaining weeks of the school year provides opportunity for celebration

related to the activity and learning. We have opportunity as we move into the coming Seasons

to consciously reflect on the concept of *gift*, how it can relate to sacrifice and inner-joy for the receiver and the giver - what is it that I can truly give of myself too, or give up for others?

To your friend, loyalty

-your parents, gratitude and devotion

-your enemy, forgiveness

A child, good example

(adapted from Oren Arnold)

Our Website

Our School Website contains policies and documentation related to school operations. Please take the time to log on, read and follow-up if you have any questions. WCSS Vision

Working from the indications of Rudolf Steiner, we strive to educate the whole being of each child in head, heart, and hands. We envision this education set within a community guided by goodness, beauty, and truth. Further, we seek to plant the seeds for our students to enter the changing world with purpose, as self-directed adults, with a lifelong love of learning, who are intellectually and spiritually free, socially responsible, and emotionally balanced.

Thank you again and best wishes for the journey together onwards.
