

The spirit of all is enlightened, warmed and revitalised by the light and spirit of each individual.

Hi Everyone

As individual members of a life-giving community, we provide welcome to the *other* through each encounter, with beautiful and felt spirit.

Thank You Sheila

Thank you to Sheila who concludes her tenure at the end of the school term break. Sheila's presence, expertise, love and works for the children, staff and families have been enormous and inspirational. Thank you, Sheila, for your amazing presence - your support, giving and contribution to West Coast Steiner School and community.

Welcome

Welcome Audrey Princi. Audrey is our new Accounts Officer and is currently engaged in the handover period for the role. I would like to thank Audrey for joining our West Coast Steiner School Community and wish her great fulfilment and joy through presence, each encounter and opportunity for daily celebration of growth ongoing for us all.

Strings Assembly

Our Choir and Strings Assembly yesterday was a wonderful expression of beauty and feeling. It has been an absolute joy to *hear* the learning of the children in their lessons (instrumental and vocal) with Marie over the term and witness their developing ability to demonstrate rich tone, so rhythmic and syncopated. Life's journey is enriched through music, be it through harmonious presence and voice, accompaniment or tuneful performance. When we sing and when we play, the celebration of meaningful expression is multiplied many times over. Thank you, Marie.

All Staff Steiner Schools Day (27.09.2019)

West Coast Steiner School is to host the All Staff Steiner Schools Day this year, a particularly significant event for the Steiner education journey here in Western Australia.

Thank You Everybody

Thank you everybody for the inspiration of your presence and giving that you provide for all the children and the school, in partnership with their teachers and all staff each day. Our credibility as a life-giving witness is our testimony. It is our greatest teaching, for the children and each person we encounter each day. The sacredness of each encounter and moment is realised and the life-education journey of each child nurtured and nourished through welcoming spirit and love unconditional. Thank you for the many ways you provide a loving presence and spiritual succour for others.

Gerard

Unique in our differences and united in our humanity, may we as community continue to walk forward together in the spirit of reconciliation, truth and love. May our hearts, made joyful through gratitude for all that we have, bring joy and glorious light to each encounter with the 'other', family and all this Easter.
