About WCSSCA

WCSSCA is an incorporated body comprised of parents and friends of West Coast Steiner School. The aim of the Community Association is to promote and support the development of West Coast Steiner School and its community.

We work closely with the school to fulfil our key objectives:

To promote and support the development of West Coast Steiner School by:

- 1) Actively pursuing fundraising activities to provide for equipment and services beyond the means otherwise available to the school, aspiring to maintain the values and principles of Rudolf Steiner philosophies; and
- 2) Initiating and coordinating events and activities to foster a spirit of community within the school, aspiring to maintain the values and principles of Rudolf Steiner philosophies.

Our activities include Craft Group which meets monthly; managing the school shop Golden Threads; catering including Soup Day on Wednesdays during the winter terms, Market Day on the verandah on Tuesdays after school, as well as helping the school to coordinate our School Fair.

Membership
