

Community Newsletter – Week 5, Term 1, 2020

Dear WCSS Community,

I trust that you enjoyed the beautiful weather over the long weekend, and that it was a chance for some rejuvenation and rest as we approach the middle of the term.

As you are aware, next week we will be celebrating the Celtic Dance, a much-anticipated annual event on our school calendar. We thank all members of our community, and especially our Class 2 families, for the dedication, effort and love that goes towards making this event happen. We look forward to sharing a wonderful evening with you all.

As advertised, the festivities will begin with a performance in the front quad at 5.30pm. Children in Class 2 are to arrive at 5pm and go straight to their classroom, wearing green and/or white. Children in Class 4, 5 and 6 are to arrive at 5.10pm and go to their classrooms. They are asked to wear a white t-shirt.

After the performances, we will proceed to the back oval for the remainder of the evening. A ticket is required for this portion of the evening, and these can be purchased for \$10 from Golden Threads, or for \$12 on the night. For the comfort and safety of all attendees, please ensure that you supervise your child at all times, and kindly note that the festivities are to occur within the marked section of the oval only. Bathroom facilities at the front of the school will be open for use, and should be the only reason to venture back to the front of the school. We appreciate your cooperation and support in this matter.

Lastly, we have been granted the wonderful opportunity of a visit from Rosemary Rowntree, an experienced and knowledgeable Steiner teacher and valued member of our community, who will be holding a Q and A in the Hub after drop-off next Wednesday (March 11). We wholeheartedly encourage as many members of our community as possible to attend, as this will be an insightful and informative session.

Wishing you all a wonderful week ahead.

With warmth,
Thomasina Henríquez

School Administrator (Acting)

In the Light of a Child – Michael Hedley Burton

*In misty, moist autumn air, Summer lingers still through mellow days,
And light which glimmers gold and fair is dimmed and dulled by gentle veils of haze.
I myself can clearly see how autumn, soft and slow, is creeping.
Summer gave herself to me and now departs for winter-sleeping.*
